Other Wholesale Plants: Ornamental perennials and native perennial plants are specialties of ours. Please request these lists if you are interested. We strongly recommend using native wetland plants for water gardening to avoid invasive species.

Special Orders: If you require a plant we do not carry, we will try to grow it for you. These special orders will require a purchase minimum and a timely order date.

1204 Flats - Minimum 10 Flats

1202 Flats - Minimum 10 Flats

1201 Flats - Minimum 10 Flats

Orders Requested By January 1st, 2019

Orders for annuals after February 1st, 2019 are booked out of excess inventory only.

Delivery Charges:

\$50.00 within 50 miles - Minimum Delivery \$1000

\$100.00 for 51 to 100 miles - Minimum Delivery \$2000

\$150.00 for 101 to 150 miles - Minimum Delivery \$3000

Fuel surcharges apply if gas goes over \$3.50/gallon.

Rate sheet available on request.

Wholesale Customer Pickup: No minimum for customer pickup. Please make arrangements prior to pickup. Customer pickup is allowed with a 24 hour notice as long as we are able to pick product and have it ready for you. Wholesale customers are encouraged to visit and look over our crops during normal business hours, however, "hand-picked" plants will be sold at retail price with a 20% discount.

Terms: Payment is due Net 30 days of the invoice (usually the day of delivery) for established customers in good standing. Any statements sent will not change the due date, statements are for your information. Please make payment off invoice. New customers are COD for the first year of business with us. Customers will be changed to Net 30 only at our discretion. We reserve the right to request a deposit on pre-ordered crops.

Energy Surcharge: We hope that natural gas prices will be stable this winter, however we reserve the right to apply an energy surcharge if necessary on any product NOT pre-ordered. Plants ordered by February 1st, 2019 are considered pre-ordered.

We strive to grow quality plants and feel we have a good reputation for doing so. Never the less, we would like to hear any suggestions, comments or complaints that you may have that will help us improve. Our growing is primarily geared toward production of pre-ordered crops, and less toward in-season orders. However, with that in mind, we do encourage you to check with us for in-season needs as they come up.

Thanks for your support!

Brent, Sue & Beth Hanson
