

HANSON'S GARDEN VILLAGE NEPETA (CATMINT) LIST FOR 2022

Catmint is a long blooming, deer resistant, low maintenance perennial for sunny places.

A great choice for the Northwoods garden.

NEPETA (A-Z)	COLOR	HEIGHT	DESCRIPTION
Cat's Meow	Blue	17-20"	PW, Low maintenance, naturally tidy with dense, rounded shape, gray-green foliage, sky blue flowers with purple calyxes for months
Cat's Pajamas	Blue	12-14"	PW Perennial of the Year 2021, PW, a smaller version of Cat's Meow, half the size and blooms 2-3 weeks early, rosy purple calyxes
Kitten Around	Blue	12-14"	More compact and petite than Purrsian Blue, forms a tight, round mound, periwinkle blue flowers
Limelight	Blue	6-8"	A low growing selection with bright chartreuse foliage and blue flowers
Purrisan Blue	Blue	14-18"	Compact selection, doubles its spread in year two, periwinkle blue flowers last for months
Nepeta sibirica	Blue	24-36"	Upright stalks of blue flowers, great for pollinators
Walker's Low	Blue	24-36"	2007 Perennial of the Year, classic variety, medium-sized plants with gray-green foliage, large flowers, long bloomer
Whispurr Blue	Blue	24-28"	Large 8-10" long showy flowers, long blooming window
