Hanson's Garden Village is the exclusive retailer of The Wood Wizard's Raise Cedar Planters. These raised beds are great for someone with limited bending abilities or limited yard space. Easy to plant, weed and cover from frost or deer. Simply line the bed with plastic or landscape cloth to keep the soil from dripping out. It will hold 15 cubic feet of soil.

2' x 4' - \$150.00

3' x 5' - \$250.00

Planters can be made to any size needed and any wood. Fencing and arbors can also be made to your needs. Cost is determined by materials and time.
