

Hanson's Garden Village Scarecrow Contest 2018

Create your own scarecrow to be put on display at Hanson's Garden Village for a chance to win a prize! Scarecrows will be on display at Hanson's Garden Village during regular business hours from Monday, October 1st until Saturday, October 27th.

OFFICIAL SCARECROW CONTEST RULES

1. Registration Begins August 27th, 2018.
2. Your entry must be on display by Monday, October 1st at 5pm.
3. Limit one entry per person or group.
4. An entry may include multiple figures or a scarecrow scene.
5. Entries must be appropriate for a family event.
6. Scarecrows must be handmade and not purchased from a retailer.
7. Scarecrow construction tips:
 - a. One straw bale per group will be provided by Hanson's Garden Village and can be picked up at our garden center.
 - b. Plastic bags and soil bags make good stuffing. Newspaper and water-soluble peanuts are not recommended.
 - c. Facial expression of the scarecrow is important, and the first thing a viewer notices. The face can be sad, cheerful, beautiful, ugly or angry - even a famous person or cartoon character.
 - d. Hair can be made from a variety of materials, including yarn, pipe cleaners, shredded plastic, beads, moss, rope, raffia, a mop head or torn fabric.
 - e. Accessories make the difference! Add hats, gloves, shoes, a scarf or other props.
 - f. Suggestions for scarecrow head materials include: old milk jugs, flower pots, gourds, wood, basketballs, plastic pumpkins, stuffed pillowcases or burlap.
 - g. Scarecrow design should take into consideration: theme, creativeness, presentation/appearance and durability.
8. You may build your entry off site and assemble it at Hanson's Garden Village or coordinate to build it on site.
9. Scarecrows must be built to withstand the elements (wind, rain, sun, snow); their construction must be durable and all ornamentation securely attached. All scarecrows should be built in a manner that allows them to be left unattended. You may want to monitor your display to be sure that it is holding up for the duration of the event.
10. Scarecrows must be freestanding, supported by a prop or built around a frame. One support stake (metal T-post) will be provided if needed. At the end of the event, that stake must be left behind. If you need additional supports to hold up your scarecrow or scene, you must supply them.
11. Hanson's Garden Village is not responsible for anything damaged, lost or stolen. Please do not put out valuables and make sure to securely fasten all props.
12. All entrants agree to allow use of their name(s) and photos for promotional purposes.
13. Exhibits must be taken down and removed from Hanson's between Sunday, October 28th and Wednesday, October 31st. We are busy getting our plants and greenhouses ready for winter, so please clean up or dispose of your scarecrow.

14. Scarecrow Judging:

- a. All scarecrows must be submitted with an entry form and will be tagged with an entry number that will be made visible for judging purposes.
- b. Judging will be done by the public, through ballot vote starting Monday, October 1st and ending on October 27th. Most of the voting will take place on Saturday, October 20th during Hanson's Fall Fest. Spread the word and have your family, friends and group members stop out to vote!
